### Announcements

We need genealogy and history books or CDs to sell at the Seminar in April. The sale table has always been popular with attendees. If you have any old editions of books, or books for which you no longer have any use, consider donating them to the Society, and making space on your shelves for new books. Books may be brought to a meeting, delivered to the Annex, or a pick up can be arranged for a large collection. To arrange for a pick up e-mail [audreyrae@comcast.net](mailto:audreyrae@comcast.net).
